

Held online via Zoom

LBEG Autumn Meeting

Thursday 8th October
9.30-11am

Kindly sponsored by [kWIQly](#)

09.30	Welcome & opening remarks Policy update Chris Little, LBEG Chair
09.40	Salix update & discussion on the £1bn public sector decarbonisation fund Jack Saunders, Salix
10.20	Artificial Intelligence for Energy Managers George Catto, kWIQly <i>The kWIQly mission is clear, to help building energy managers use their data and time effectively. Analytics, pattern recognition and AI are configured into well-defined processes. Energy managers who have insufficient time to use data effectively need powerful (kW), intelligent(IQ) and fast support - hence the name 'kWIQly'.</i>
10.50	AOB
11.00	Close
